St George's Day Parade and Celebration

On Sunday 27th April, the District Scouts met at Howard Splash Park where the Groups paraded behind their colour parties. 12th Letchworth Scout Group organised the event and therefore paraded behind the District Colours and the District and County Representative. The parade marched up Leys Avenue and Broadway where a short service was held in St Francis College. The squirrels met the parade at Broadway Gardens and walked the short distance to St Francis College.

5th Letchworth Scouts Our Adventure: Exploring Hertfordshire

A few weeks before our hike we did some preparation by going over our map reading and planning our route. We started at Wallington Village Hall. One group went anticlockwise down towards Rushden then up to Sandon and then Baldock. The other group went in the opposite direction, but both did the same path back to Baldock. We walked along part of the Hertfordshire Way. It was nice seeing all the nature and fields around us. We were fortunate with the weather with it being sunny and mostly warm but at times slightly cold.

Even though our stops were a bit long, we were quick to get moving again after checking the map. When we finally got back, we had a small rest, had some food, and played some games. We ended the day with a film night before going to bed.

1st Baldock Knights Cubs went to Danemead Scout Campsite in Broxbourne.

1st Baldock (Knights) Cubs had the following to say about their Cub Camp:-

We stayed in Hornbeam Lodge but the toilet block was outside.

For breakfast we had full English

We played manhunt and light house

We ate hotdogs

We went for a walk in the woods

We peeled and cooked and ate vegetables

We had fun

We toasted marshmallows-after lighting fires in the drizzling rain.

We invested Oscar

We did science and explosions

We built shelters

We did a campfire and sketches and songs

We had to Hoover up at the end.

Wymondley Wood Scout and Guide Centre Charges 2026

At a recent Wymondley Wood committee meeting it was decided after some discussion to increase the charges from 2026.

This will be the first increase in charges since 2023 and is necessary due to the increase cost of running the centre. The charges from 2026 will be as follows:-

District £9.00 per person with a minimum of £225 per night

Out of District £11.00 per night with a minimum of £275 per night

'Minimum' - Less than 25 people in the house overnight,
